De paradox van Allais

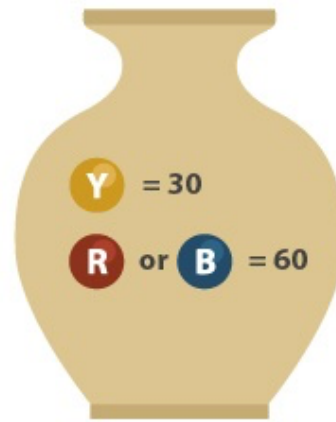

# Hoe zou jij kiezen?

## Allais's Paradox

- ◆ Proposed by the contemporary French economist Maurice Allais, presents us with two situations.
- ◆ What will you pick in situation A and situation B?

# The one urn problem

## Situation A

Bet **Y** or **R**

## Most bet

**Y**

## Situation B

Bet **R** / **B** or **Y** / **B**

**R** / **B**
